

Agreed report June B.O.M.

Golden Jubilee Celebrations

The board wish to acknowledge the wonderful work done by so many to make the Golden Jubilee celebrations such a fabulous success.

The board thanked Miss O'Driscoll for her dedicated work with the school choir: the singing at the Golden Jubilee mass and the concert afterwards for the Bishop and friends of the school was something not to be forgotten.

The board also wish to acknowledge the work of the History book committee who gave up their time voluntarily to put this wonderful book together tracing 50 years of primary education in our community.

The weekend would not have been such a success without the help and support of our wonderful community and the weekend committee led by our chairperson Michael Scanlon.

The board also acknowledged the fantastic support of our parent's council and all the volunteers who provided such generous hospitality to every visitor to the school over the weekend.

The family fun day was also a huge success: thanks to all the staff who made it such a sociable occasion.

Teaching and Learning

STEAM education, ran by Paul Bolger of U.C.C. for 5th class proved a huge success and will contribute to our School Self Evaluation process for next year.

End of year testing and reports are all complete.

The board was happy to hear that Active Schools week was such a success.

School tours

The board noted all the school tours that took place in the last term and the fun that was had by all pupils!

Parent's Council

The principal met with the officers of the council before their end of year meeting in June.

The board wishes to acknowledge the wonderful support that the parent body gave to the school community this academic year.

Building

The tendering process will begin for the 2 class SEN base once the fire cert and the disability access cert. has been granted.
